Hi Lexi,

This is very odd, could I have you fill out the attached registration form? This way I can capture all your contact information. We are in the process of moving our offices into our new building. I should have the readings reprinted and mailed by the end of this week.

Thank you so much!

Is it possible to have a new set mailed to me? Apologies for the inconvenience.

Good morning Lexi,

I show that the readings were sent to your Indiana address, this is the only address we have on file for you. I see on our registration form that you would update us once you moved, can I gather the DC address is your new address? Is there a way for you to retrieve the package from your Indiana address? If not I will need to re-purchase the two books and mail to your new address.

All my best,

Hey all,

Attached is a quick spreadsheet of the grant programs that need beachhead action in the next two weeks, per Friday/Monday meetings.

As we had discussed, Department is fine to proceed (unless Josh has any objections after reviewing); with a beachhead team member attending any/all meetings regarding these grants. I briefly mentioned this to Lexi Hudson this afternoon, however I am not certain if it is my role to make this assignment (I can do so, if that is requested).
